PRESIDENT'S MESSAGE

Wow, how time flies!! It is already our final week of Winter Term 2022! And while it is the final newsletter of this term, it is my first newsletter as the new President of CLL. Since I started taking classes 7 years ago, I have continually been amazed at the broad experience, interesting story-telling, and unquenchable thirst for knowledge of our students and teachers. When the pandemic hit, the resilience of our group, figuring out new methods to continue and learn, has been awe-inspiring. And even as this term started with yet another major wave of Covid, we still persevered. I am proud to be part of CLL and thank you for entrusting me to lead this incredible organization.

With our final week comes our big finale. Please join us for the Final Follies on Friday 11 March, at 12:00 in the UWF Auditorium. This is when we get to show off our stuff. Feel free to bring shareable snacks or treats (not a requirement but always fun to share). It's always a great party, and of course, friends and neighbors are always welcome.

As we continue to bounce back after a very strange couple of years, I hope to make CLL even better than before. One goal I have is to recruit more art teachers. These are always the first classes to fill up and have the longest waiting lists. If you or anyone you know would like to teach next fall, please let us know early so we can include them in the curriculum process.

Happy Spring and Summer and we will see you next Fall!!!
